PXL

10

We would keep

- Daily communication
- Open Source/Cross Platform technologies
- Build- and deploy processes
- SCRUM / Planning tools

PXL

11

We would change

- Getting requirements clear
- Don't plan ahead too much
- Establish early on what technology to use

PXL

12

We could change

- More face-to-face meetings
- Create less analysis / when needed

Questions?
