Type	Workitem	Niek Vandael	Jesse Vranken	Arjen Schuurman	Dennie Grondelars	Bart Hunerbein
Defect	Resource (view model) fuctionality				4	
Defect	Autofill status, lastupdate and last updated by when persisting an entity	1				
Defect	Add Category to projects	1				
Defect	logout triggers authentication error					
Defect	Search projects based on tags	2				
Defect	Projectstatus direct zichtbaar voor studenten	1				
Defect	Studenten kunnen projecten filteren waarop ze zich kunnen inschrijven	2				
Defect	Rework new project page/controller			3		
Defect	Verslag Meetings		1			
Defect	Bugfix Pictures not displaying on myprojects page		0.5			
Defect	Create project progressbar (backed/subscribed)	1				
Defect	Show only first picture in project list	1				
Defect	Create popup messages for result while saving/creating categories.			3		
Defect	Disable comments for public		0.25			
Defect	Docents can't back anymore		0.5			
Defect	Detail page styling					
Defect	No progressbar showing on 0pct	1				
Defect	Update project detail page			4		
Defect	Using preziId from backend		1			
Defect	Only show make new.. when project is new		0.25			
Defect	Project save should return to project detail	1				
Defect	Like function is broken	2				
Defect	Show icon when project is 'running'	2				
Defect	Show full start/end time		0.25			
Defect	Text adjustment for Docent filter		0.25			
Defect	Layout Project Block		0.5			
Defect	Prevent request manipulation		2			
Defect	Show text when list is empty		1			
Defect	Popup message on back/subcsribe		0.25			
Defect	Project form validation		0.5			
Defect	Docents can delete supporters		1			

Type	Description					
Defect	Redirect on cancel edit		0.25			
Defect	Add logo to menu			1		
Defect	Improve menu bar to show correct on small screen size.			2
